Re: Clovis Police Officer Gary Taylor - Appeal from Termination  
Our File No. 0911

Dear Ms. Shively:

This office represents Clovis Police Officer Gary Taylor in his appeal from Termination. We hereby appeal the termination of Gary Taylor from the position of Police Officer with the City of Clovis Police Department, notice of which was served on him at the Law Offices of Bennett & Sharpe, in Fresno, CA, on or about December 12, 2013.

Officer Taylor requests a hearing thereon, does not deny that the underlying allegations occurred, but denies that the penalty for said sustained allegations is appropriate and alleges that mitigating circumstances, medical issues, and his unblemished work record, prior to this incident, were not properly taken into account. Officer Taylor thus denies that the facts and circumstances alleged in the said Notice are proper grounds for disciplinary action, and asserts that the disciplinary action imposed is inconsistent with standards of progressive discipline.

Additionally, Appellant requests that all materials relied upon by the Department and all levels of management in making their decision to impose discipline be provided and further requests that this hearing be conducted in private.

RE: Notice of Final Discipline by the Division Commander, IA #13-09

As you are aware, the Department completed Internal Affairs investigation 13-09 against you, which you have reviewed and is also incorporated herein by reference. The IA investigation was based on your involvement in on duty behavior in and around December 2012.

The IA investigation sustained the following counts of violating Department Policy Manual sections:

**340.3.2 (m)** *Engaging in on-duty sexual relations including, but not limited to, sexual intercourse, excessive displays of public affection or other sexual contact.*

**340.3.2 (m)** *Engaging in on-duty sexual relations including, but not limited to, sexual intercourse, excessive displays of public affection or other sexual contact.*

**340.3.2 (aa)** *Any other on-duty or off-duty conduct which any employee knows or reasonably should know is unbecoming a member of the Department or which is contrary to good order, efficiency or morale, or which tends to reflect unfavorably upon the Department or its members.*

**340.3.2 (ad)** *Giving false or misleading statements, or misrepresenting or omitting material information to a supervisor, or other person in a position of authority, in connection with any investigation or in the reporting of any department-related business.*

**340.3.2 (i) *The falsification of any work-related records, the making of misleading entries or statements with the intent to deceive, or the willful and unauthorized destruction and/or mutilation of any department record, book, paper or document.***

I previously issued to you a notice of Intended Discipline on November 6, 2013 which is incorporated herein by reference. Thereafter, on November 19, 2013, we held a pre-disciplinary conference pursuant to *Skelly v. State Personnel Board* (1975) 15 Cal.3d 194. At that conference you and your representative presented reasons why you believe the Department's proposed discipline is inappropriate. This conference was recorded.

I reviewed the recording of the Skelly conference, and the current IA investigation report and the interviews attached thereto as well as the Disciplinary Review Board recommendation. Based upon my review of this information and careful deliberation of the facts presented, I find that the recommendation to terminate your employment from the Clovis Police Department is appropriate and that level of discipline is sustained. Please be advised that this decision shall immediately be forwarded to the Chief of Police, [REDACTED], for final action.

## CLOVIS POLICE DEPARTMENT Internal Affairs Investigation

TO: [REDACTED] Chief of Police  
FROM: Sgt. [REDACTED] and Cpl. [REDACTED]  
DATE: 10-14-13  
SUBJECT: Internal Affairs Investigation #13-09

OFFICERS INVOLVED:  
Officer Gary Taylor

COMPLAINANTS:  
[REDACTED] via Corporal [REDACTED]

WITNESSES:  
[REDACTED]

### SYNOPSIS:

Officer Taylor became acquainted with [REDACTED] in April 2011 when he responded to a call for service regarding her ex-husband stalking and harassing her. This call was for an "unwanted subject" on 4-13-11 (CPD 11-5327). He responded to several subsequent calls to assist [REDACTED] and her then husband, [REDACTED], and developed a friendship with [REDACTED]. He responded on 5-5-11 for a "threats" call and took a report (CPD 11-6357). He responded on 5-19-11 and 5-26-11 for "custody exchange" calls, but no reports were drawn.

Officer Taylor and [REDACTED] fell out of contact for approximately a year from around May 2011 until April 2012, when he responded to a loud party call at [REDACTED] on 4-2-12, in which she was the disturbing party. Their friendship picked up and they started communicating with each other through text messages, phone calls,

and in person. He assisted Officer [REDACTED] on a "citizen assist" call on 5-8-12. Later that day Officer Taylor responded back out for a "civil assist" call and took a report (CPD 12-6599). Officer Taylor checked out on "follow-up" at [REDACTED] residence on 5-10-12.

During an unrelated investigation [REDACTED], who was employed as a police officer with Clovis PD at the time, disclosed information stating Officer Taylor had sexual intercourse with [REDACTED] while on duty. [REDACTED] stated he had seen pictures on [REDACTED] phone of Officer Taylor's duty gear on [REDACTED] dresser. [REDACTED] was contacted regarding this allegation.

[REDACTED] stated that on 12-18-12 Officer Taylor came to her residence while on patrol duty and they engaged in consensual sexual intercourse. She stated he was in uniform and stated she took pictures of his uniform on her floor and his duty belt on her dresser without his knowledge while he was in a state of undress. Officer Taylor checked out on "follow-up" at [REDACTED] on 12-18-12 at 0818 hours, and cleared the call "com" at 0851 hours.

[REDACTED] stated that a few days prior to the event outlined above (approximately 12-16-12) Officer Taylor met her and a friend in the parking lot of the new 500 Club (771 W Shaw) while on duty, in a marked patrol car, and in full uniform. She stated that she got into Officer Taylor's car and they engaged in what she described as a "make-out" session that involved kissing.

## INTERVIEWS:

### Interview with Officer Gary Taylor

Sgt. [REDACTED] and I (Cpl. [REDACTED]) met with Gary and his representative, [REDACTED], on 8-19-13. The meeting took place in the large interview room in the Investigation Division, and was video recorded. I read the administrative advisement and Gary was told that this investigation did not contain a criminal element. Sgt. [REDACTED] explained the two main issues that we had questions about and then asked Gary to tell us in his what occurred during the two incidents described and to tell us the nature of his relationship with [REDACTED]. Gary, in summary, told us the following:

Gary stated that he met [REDACTED] a few years ago when he took a report for her regarding her first ex-husband stalking and harassing her. He said this was when she lived on [REDACTED] with her second husband [REDACTED]. He said he responded to several more calls at the residence regarding custody issues [REDACTED] was having with his ex. Gary said that he did not have contact with [REDACTED] or [REDACTED] for about a year after those calls. He said he responded to a loud party call on [REDACTED] in 2012 and [REDACTED] answered the door. He said they reconnected at that time. He said that she told him that she was going through a divorce from [REDACTED] and that he was harassing her. Gary said at some point after they reconnected on this call he gave her his department cell phone number and told her to call him if she needed anything. He said he gave her his number because he remembered her being nice from his prior contacts with her. Gary stated that some time after they reconnected he took a PC 422 report for [REDACTED] in

regards to one of her prior friends making threats to her. He said follow up to this case some months later, is what he believes leads up to [REDACTED] stating that they had sexual intercourse.

Gary said he and [REDACTED] were in communication with each other from around the time of the party call until he approached Sgt. [REDACTED] about the issues that had come to light regarding [REDACTED] and [REDACTED]. He said he did not remember dates, but the information could be gained by looking at his calls for service. He said during the time between 2012-2013 in which they were in contact they exchanged text messages on his department cell phone, and spoke on the phone and in person. He said [REDACTED] "hit on him" before he was married. He said he let it go for a while because he did not have the heart to tell her to stop. He stated that he did not have casual contact with her outside of work (i.e. meet for coffee or lunch when he was off-duty). He said his personal contacts with her were while on-duty. He said besides calls for service, he met with her socially while on-duty several times. We asked Gary how many times he met with her for more than a few minutes while on-duty. He said his visits ranged from a few minutes to approximately 20 minutes and none were over an hour long. He recalled meeting her at the 500 Club (one of the incidents in question), at her place of employment at the mall, and approximately three more times. He said he did not know the exact number of times he met her. He stated that sometimes he would pull up in back of her condo and talk to her. He said he remembered pulling in and meeting her outside of her condo one day to tell her that he was getting married.

Gary states that he did meet [REDACTED] and a friend at the new 500 Club one night while he was on-duty. He said [REDACTED] contacted him and he went by to see her near the end of his shift because he was getting ready to go home. He did not remember the date, but said he must have been working over because it was night, and he was assigned to day shift for several rotations prior to his current swing shift assignment. He said he remembers parking somewhere generally to the south of the building. He said he remembered [REDACTED] and her friend had been drinking. He said [REDACTED] got into the passenger seat of his patrol car. He said he does not remember what they were talking about. He said he was in the driver's seat and he leaned in to talk to her. Gary stated that [REDACTED] then leaned in and kissed him on the lips. He said the kiss lasted a few seconds and he said he "knew that was kind of nice." He said that was the only kiss and they did not "make-out" as [REDACTED] described. He stated he did not know the name of [REDACTED] friend, but thinks she may have been [REDACTED] co-worker. He said the female had blonde or brown hair and was thin in build. He also stated he thought this female was later a suspect in a residential burglary case in which [REDACTED] was the victim. He said this female acted like she wanted to get into his patrol car too. He said that he got the impression that this female thought other things were going on in the car and alluded to a "three-some." He said he did not remember how long he was in the parking lot but did not think it was very long because his shift was ending and he wanted to go home.

We told Gary that [REDACTED] stated it was two days after the meeting at the 500 Club that he came over to her house and they engaged in consensual intercourse. She gave the specific date of 12-18-13. I told Gary that I had checked his call logs and found that he checked out on follow up at [REDACTED] which was next to [REDACTED]'s address of [REDACTED]. He said he guessed her address and just put

the wrong numbers. He said sometimes he would go by without putting himself out at the address, which I took him to mean that he was not familiar enough with the address to have it memorized. He said he was actually at [REDACTED] residence doing follow up to the PC 422 case that he had taken some time earlier. He said a few months had passed and he got a NCF form from the DA's Office requesting the jail tapes of calls from the suspect to the victim. He said he went over to [REDACTED] house to talk to her about the case. He said that she told him she was NCD at that time. He said at no time while he was there did they engage in sexual intercourse.

When asked about [REDACTED] alleging she had pictures of his duty gear on her dresser and his uniform on her floor he said "no, unless it's [REDACTED]" I pointed out that [REDACTED] gear was different than his because [REDACTED] did not have the standard issue holster and that Gary did not have a standard issue baton holder. I also noted his gear arrangement and said it would be easy to tell the difference between their duty gear. Gary said "no, I didn't have sex with her" but did not say anything further about the gear. We asked if there was any time that he may have taken off his equipment at her house. He said "not that I know of." When told that he would be the only one that would know, he said he would not have taken it off unless he used the bathroom there. He said he did not specifically remember ever using the bathroom at her residence, but said he was comfortable enough with her to have done so. He then stated that if he had done so, he thought his gear would have been in the bathroom with him. We asked Gary if there was any sort of intimate encounter while he was at her house. He said no. We asked if there was anything that could have been misconstrued by her as being more intimate than intended (i.e. sitting on her bed while they were talking) and he said no. We asked if she was dressed provocatively during the contact and he said she was not. Gary said he did not know what her perceptions may have been, but they did have conversations in which he opened up to her about his divorce and she opened up to him about her divorce.

We asked Gary about the nature and amount of text messages he exchanged with [REDACTED]. He said received text messages from [REDACTED] after the 500 Club incident in which she talked about kissing him. He does not remember what exactly was exchanged between them. He also said that she had previously sent him a provocative picture of her tattoo through text messaging. He said that [REDACTED] told him that she wanted to send him a picture of her tattoo. He told her it was "o.k." He said that he got upset because instead of just sending one picture she sent eight. He said the pictures were provocative because the tattoo was on her side. He said he could not remember if her breasts were exposed, but it was from the side and you could "see her shape." He also could not remember if she was wearing underwear or not. He said he thinks the tattoo was of a panther on something similar, and remembers it being long, and a picture and not words. He said there "could have been" other texts of more than a casual nature, but those are the ones that stuck out in his mind. He said they exchanged text messages from the time they reconnected in April 2012 until he went to Sgt. [REDACTED] about her "sucking him into her stuff with [REDACTED]"

Gary said when [REDACTED] started dating [REDACTED] he had a talk with her and told her they should not have contact because he did not want [REDACTED] or others to get the wrong impression. He said that they ended contact for a while. He said that [REDACTED] was away from work for some time when she got a text message from [REDACTED] asking if they could

meet. He said he was curious what was going on with [REDACTED] and agreed to meet her. He said he met her at her place of employment while he was on-duty. Gary said that while they talked she disclosed information about a domestic violence incident between her and [REDACTED] in Dublin, CA. He said that she asked him not to say anything, which put him in an awkward position as a mandated reporter. He said that he was trying to decide what to do when he learned that she was already talking with Detective [REDACTED] about the matter. He said he explained his role as a mandated reporter to her. He said they spoke again approximately 10 days later. He instructed her to go to the police department and make a report. Gary said he related an analogy of walking in a field of thorns to her. He said he told her that she kept walking further into a field of thorns even though each step hurt instead of backing out of the field. He said he also told her "if I wasn't in the position I was in, you'd be the kind of girl I might date." Gary said that shortly after this contact he went to Sgt. [REDACTED] about being in the middle of the issues between [REDACTED] and [REDACTED], and ended contact with [REDACTED].

#### Second Interview with Officer Gary Taylor

Sgt. [REDACTED] and I (Cpl. [REDACTED]) met with Gary and his representative, [REDACTED], on 10-8-13. The meeting took place in the large interview room in the Investigation Division, and was video recorded. Ms. [REDACTED] stipulated that they understood Gary was still under the same advisement as before and stated that it was not necessary to read the advisement again. Gary was reminded that this investigation did not contain a criminal element. Ms. [REDACTED] asked Gary if he had taken any medication that would adversely affect him during the interview and he said that he had not. We told Gary that new evidence had come to light that caused us reason to interview him again for clarification on some issues. We advised Gary that we intended to ask him some direct and blunt questions and that he needed to be completely truthful. Gary, in summary, told us the following:

I asked Gary a series of direct questions to each of which he answered with a definitive "no." The questions he answered "no" to were: 1) If he had sexual intercourse with [REDACTED] while on duty; 2) If he ever had sexual intercourse with [REDACTED]; 3) If he ever had any intimate sexual contact with [REDACTED]; 4) If his penis was ever exposed in [REDACTED] presence while she was either dressed or in a state of undress. I then asked if he had talked about this investigation with anyone. He told me that he had discussed this investigation with his family. I asked specifically if he had discussed this matter with his brother [REDACTED], and he said he had. I asked if he had requested or instructed his brother to speak to [REDACTED] about this investigation, and he said he had not. I asked if he knew that his brother had talked to her at her place of employment. He said that he did learn that his brother ran into her and asked him to have no other contact with her. Gary said that his brother told [REDACTED] that he knew who she was and that she was that she was the one "doing this" to my brother. Gary said he knew of no other contact between his brother and [REDACTED]. He said that his brother went to the store to buy some products and recognized her from meeting her in the past. He said that he was not sure how they initially became acquainted but thinks it was one time when his brother went into the vitamin store where [REDACTED] works. He said somehow they began to talk and she learned that [REDACTED] was his brother. We told Gary that [REDACTED] stated the contact with his brother at the store and in an alleged phone call had made her nervous and more forthcoming with information.

We told Gary that [REDACTED] told us, in summary, that the two of them planned an intimate interlude on 12-18-12. She stated that they texted several times before he came over. She prepared for his arrival by putting on lingerie under her clothing. She said that they "made out" on the sofa before Gary took off his equipment, uniform and under clothing. She said that he ejaculated when she revealed her lingerie. She said she comforted him and his biological fluid rubbed onto her lingerie. She said she provided him a condom and then they had sexual intercourse. [REDACTED] provided the lingerie, which she said she had not laundered or worn since her encounter with Gary. I showed this lingerie to Gary and informed him that Sgt. [REDACTED] and I had checked the garment with a black light and it showed the presence of biological fluid. At this time Gary and Ms. [REDACTED] chose to hold a private sidebar off camera. When they returned Ms. [REDACTED] spoke for Gary.

Ms. [REDACTED] said that Gary said that the allegations laid out by [REDACTED] were indeed true with the exception of a few minor details that he felt were inconsequential and did not want to elaborate on. She went on to say that Gary was sorry for not telling the truth and stated that he was highly embarrassed by the situation. Gary then apologized to me and Sgt. [REDACTED]. He said that he is extremely embarrassed by his actions and deeply sorry for not being forthcoming with information. He talked about the pressures at home and how this will affect his wife and was very concerned for her feelings. He verbally acknowledged that the events [REDACTED] described did in fact happen. He admitted to having sexual intercourse with her while on duty on 12-18-12. He stated he was not at her house for follow-up as he previously alleged. He stated that the intent for going to her house on that morning was for the sole purpose of engaging in a sexual interlude.

#### Interview with Witness [REDACTED]:

Corporal [REDACTED] attempted to arrange an in person interview with Witness [REDACTED] (hereafter referred to as [REDACTED]) the week of August 19, 2013. [REDACTED] said that she did not want to be interviewed until the court proceedings for [REDACTED] were complete. [REDACTED] advised that she had obtained an attorney and that we should communicate through him in regards to her cooperation prior to the [REDACTED] case being completed.

On August 13, 2013 at approximately 1216 hours, I (Sergeant [REDACTED]), telephoned [REDACTED] ([REDACTED]) and asked her if I could ask her questions about her possibly having evidence in our case. I explained to her that I was conducting an internal investigation and that I had nothing to do with the intertwined criminal investigation. I asked [REDACTED] if she had the cell phone which had alleged digital photos of Gary's (Officer Taylor's) Uniforms on her floor and police gear on her dresser. [REDACTED] was surprised that I would know about these photos and explained that she had changed phones since the photos were taken, and the photos were transferred over. [REDACTED] explained that she had a calendar that she had written dates and events documenting when she had met, text, called, and what she did with Gary.

[REDACTED] was very adamant that she was not going to come in for an interview or provide her phone to the police department until [REDACTED] case was complete.

She made it clear that she had items (not specifically identified) that could be detrimental to [REDACTED] defense and she was not willing to provide them.

[REDACTED] did continue to talk to me over the phone and provided the following details pertinent to this investigation: She did not really want Gary to get in trouble, their relationship was consensual. [REDACTED] admitted that they have had one "make out session" and had one time that they got together to have sex. Gary was on duty when they had sex.

Gary was working overtime on patrol and she met up with him at the "New 500 Club" located on Willow at Shaw Avenue. They were at the front of the business on the side where the gym is (north side) and she and Gary talked for several minutes. [REDACTED] went back into the 500 Club and met with her girlfriend and then came out and met Gary at his patrol car on the south east corner of the 500 Club building where Gary was parked in a stall. [REDACTED] got into Gary's patrol car and for about 15 or 20 minutes they "had a make out session." [REDACTED] described the "make out session" as kissing.

The next day Gary called [REDACTED] and asked to get together. [REDACTED] told him that she was not feeling well right then. Gary called [REDACTED] the next day and again wanted to get together. [REDACTED] explained to me that she told Gary that she was not feeling well because she did not want Gary to get more physically involved without really wanting to, she wanted him to think about it. The second day Gary called her and she agreed for him to come over to her apartment. At her apartment at [REDACTED] they had sex in her bedroom. Gary was on duty and in his uniform which he took off. While Gary was in the bathroom, [REDACTED] took digital photographs of Gary's uniform and his duty equipment.

[REDACTED] continued to explain that [REDACTED] had asked her how she knew Gary and why she was talking to him. [REDACTED] said that she had never told [REDACTED] that she had previously had sex with Gary. On May 21<sup>st</sup> she was talking to Gary on the phone and she told Gary to come talk to her at her work. Gary came to her work and they talked for about an hour out in front of her workplace. When [REDACTED] came home, she was confronted by [REDACTED] who told her that one of the security guards had told him that an officer had been talking to her for a long time at her work. [REDACTED] got mad and confronted her about being unfaithful. [REDACTED] explained that it "was just Gary Taylor." [REDACTED] had read in her diary about Gary and [REDACTED] having a relationship.

[REDACTED] continued to reject the idea of allowing CPD to view her phone until the criminal proceedings for [REDACTED] were complete.

#### Second Telephonic Interview with Witness [REDACTED]:

On September 30, 2013 I returned a phone call from [REDACTED]. [REDACTED] called to report to me that Officer Gary Taylor's brother, [REDACTED], had come to her work place and confronted her about reporting to the Clovis Police Department that she and Gary had sex on duty. [REDACTED] very bluntly told her to retract the statements and stop getting Gary in trouble. [REDACTED] was very confronting and had an aggressive tone, though he did not threaten any harm or actions against [REDACTED], he just made her feel very intimidated and concerned. [REDACTED] later called [REDACTED] at

her workplace and she told him that she would not talk to him and leave her alone. [REDACTED] was reporting to me that she was concerned that Gary had put [REDACTED] up to this intimidation and that she was afraid it would continue or escalate. I told [REDACTED] that Gary was denying that the intimate encounters had ever occurred and that he was likely telling family and friends that she was lying and setting him up. I further explained to [REDACTED] that the most efficient way for me to ensure that these incidents stop is to provide me with the evidence that she has. I would then be able to confront Gary with the photos and after he admits to his participation in having sex with her on duty; he will be part of the solution to stopping his brother from bothering her. There would be no further reason for his family or friends to bother her.

After I asked [REDACTED] for evidence (I was referring to the digital photos that I was aware of), [REDACTED] told me she would look for photos and text messages that included photos of her nude and in minimal clothing. [REDACTED] also then advised me that she had an item of lingerie that she wore the morning that she had sex with Gary. [REDACTED] said that she has not worn the clothing before nor since the morning that she had sex with Gary. [REDACTED] said that she suspected that there might be bodily fluid from Gary on the lingerie. [REDACTED] said that she does not believe she washed the lingerie.

[REDACTED] explained in detail the sexual encounter with Gary the morning of December 18, 2012. [REDACTED] said that she asked Gary, "Won't you get in trouble?" as he and she planned on having sex. Gary explained to her that he "put himself out on a follow-up." Gary went on to explain that another Sergeant on the department had gotten into trouble for doing that and another agency saw the patrol car out of the Clovis city limits and inquired as to why it was there and the Sergeant got in trouble.

[REDACTED] said that Gary was at her apartment for over an hour on the 18<sup>th</sup>. I told [REDACTED] that Gary admits to being there but denies having sex. [REDACTED] said, "No, I don't want to embarrass him." I asked [REDACTED] to go on and tell me what happened. [REDACTED] went on to tell the following: I knew he was coming and he called me when he was outside. I had put on a kinda like a night gown lingerie on and I put a sweater and sweat pants over it. We were kissing and stuff on the couch and after that we were talking a little bit and making out. He took off his duty belt and we were making out. Then we went into my bedroom. He took his gun and radio with him and said he had to keep them close. He got all the way naked to his grey boxer shorts. He took off his shorts and she removed her sweater revealing the lingerie and Gary "came already." Gary said, "Oh my gosh, I never had that happen before." [REDACTED] moved closer and they began kissing and as she got close she rubbed against him and got his fluids on her lingerie. After this, [REDACTED] gave Gary a condom and then they "did it on my bed." Gary went into the bathroom and cleaned up and as he did [REDACTED] took photos of Gary's clothes and gear to show her friend and "prove they did it." Gary cleaned up and went back to work.

[REDACTED] later met Sergeant [REDACTED] and I (Sergeant [REDACTED]) and provide the lingerie for us to use in our investigation.

#### OPINIONS AND CONCLUSIONS:

During the first interview Gary showed significant signs of deceit. He denied "making out" with [REDACTED] in his patrol car at the 500 Club, but made an admission that there had been a kiss that he thought was "kind of nice." He stated that [REDACTED] kissed him. I feel that this was a minimization tactic employed by Gary. Upon further consideration, the story Gary told of he and [REDACTED] being in the front seats of his patrol car and her sneaking a kiss, is implausible by physical dynamics of the patrol car. The seat configuration and computer set up with radios in the middle; it would take effort by both parties to physically be close enough to each other for kissing to occur. He denied having sexual intercourse with [REDACTED], but showed distress when he answered. He also showed distress when asked if she was wearing anything provocative when he went to her house for what he alleged was follow-up to a PC 422 case.

In the second interview Gary admitted to having sexual intercourse with [REDACTED] as she described. He stated that he had lied about having sex and lied about the reason he was at her house on the morning of 12-18-12.

Gary's actions were unbecoming a member of this Department and in direct violation of policy. Gary compromised his integrity in an effort to conceal his inappropriate behavior.

As a result of Gary first being dishonest and lying in response to this investigation, he is also found to be in violation of:

340.3.5 (ad) Giving false or misleading statements, or misrepresenting or omitting material information to a supervisor, or other person in a position of authority, in connection with any investigation or in the reporting of any department-related business.

#### FINDINGS:

Based upon the totality of this investigation, we have determined the following in regards to Officer Gary Taylor:

1. 340.3.2(m) of the Clovis Police Department Policy Manual: Engaging in on-duty sexual relations including, but not limited to, sexual intercourse, excessive display of affection or other sexual conduct. **SUSTAINED.**

Officer Gary Taylor admitted to having sexual intercourse with [REDACTED] while on duty on 12-18-12

2. 340.3.2(m) of the Clovis Police Department Policy Manual: Engaging in on-duty sexual relations including, but not limited to, sexual intercourse, excessive display of affection or other sexual conduct. **SUSTAINED.**

Officer Gary Taylor admitted to meeting [REDACTED] a few days earlier while on duty where he said she kissed him in his patrol car.

3. 340.3.5(aa) of the Clovis Police Department Policy Manual: Any other on-duty or off-duty conduct which an employee knows or reasonably should know is unbecoming a member of the Department or which is contrary to good order, efficiency or morale, or which tends to reflect unfavorably upon the Department or its members. **SUSTAINED.**

Officer Gary Taylor did not tell the truth in this investigation. He tried to conceal the fact that he engaged in inappropriate intimate and sexual behavior while on duty.

4. 340.3.5(ad) Giving false or misleading statements, or misrepresenting or omitting material information to a supervisor, or other person in a position of authority, in connection with any investigation or in the reporting of any department-related business. **SUSTAINED**

Officer Gary Taylor lied to investigators, Corporal [REDACTED] and Sergeant [REDACTED] when interviewed about the allegations. Officer Taylor was not only lying, he was assertive that the facts he was presented with were not true and later admitted the exact opposite.

5. 340.3.5(i) The falsification of any work-related records, the making of misleading entries or statements with the intent to deceive, or the willful and unauthorized destruction and/or mutilation of any department record, book, paper or document. **SUSTAINED**

Officer Gary Taylor stated in his first interview that he had checked out on follow up at [REDACTED], which was next to [REDACTED] address of [REDACTED]. He said he guessed her address and just put the wrong numbers. In the last interview, Officer Gary Taylor admitted to having put himself out in a misleading fashion to mislead anybody that viewed his patrol vehicle at or near [REDACTED] residence while he was engaged in having a sexual encounter with her while on duty. Violation consists in being a false statement (says he was there for a follow up interview) and location (put out at [REDACTED] and was in reality at [REDACTED]).

CLOVIS POLICE DEPARTMENT

SHIFT COMMANDER'S REPORT OF UNUSUAL OCCURRENCES

DATE: May 29, 2013  
TO: Chief [REDACTED]  
FROM: Sergeant [REDACTED]  
REGARDING: Call for service related to IA

A report summarizing an unusual occurrence shall be generated by the Watch Commander or designee in situations including, but not limited to:

- Use of force by an officer resulting in injury to the arrestee.
- Damage to police department equipment.
- Injury to an officer or other field personnel sustained in the course of their duties.
- All police pursuits (with attached audio file).
- Incidents of a sensitive nature involving a City official or City employee.
- Any other matter of an unusual or uncommon nature that is likely to attract wide public interest or publicity.

On 05/29/2013, Dispatch received a call from [REDACTED], ([REDACTED]'s Girlfriend) regarding the time frame for reporting domestic violence. She advised she had bruises from an incident and she took pictures however the male half erased them. [REDACTED] did not identify herself and she inquired as to whether the line was recorded. She disconnected after hearing the line was recorded. She did tell dispatch she would like to talk with Officer Taylor who is aware of the domestic violence issues. Dispatch had the cell phone number and was able to identify [REDACTED] as the caller.

Officer Gary Taylor was on his way back from FCJ and he saw the call holding in his beat. He called me as he recognized the RP. I met with Gary to discuss what he knew about the DV issues and the RP. Gary met the RP on a call he handled awhile ago. He helped her with a PC 422 call and domestic issues with her ex. At some point Gary gave [REDACTED] his department cell phone number and she would call him for support and advice. Gary told me he never dated or had a relationship with [REDACTED] other than a friendship. He told me within the last 6 months [REDACTED] asked him about [REDACTED]. Gary talked with her about [REDACTED] and he even talked to [REDACTED] about [REDACTED]. The conversation with [REDACTED] did not go that well. They have talked off and on over the last few months.

Last week [REDACTED] contacted Gary and started talking about an IA that involved [REDACTED] and her. She told Gary details of an incident that occurred in Dublin in a hotel they were staying in while [REDACTED] had drill weekend. Gary said [REDACTED] told him of a more recent incident where she was bruised and she took photos and sent them to a friend. She told Gary that [REDACTED] deleted the photos and told her it was too late to report the incident. [REDACTED] ended up meeting with Gary in the parking lot at Sunnyside/Santa Ana. Gary saw a bruise on [REDACTED]'s right arm which he believed was as a result of a disturbance with [REDACTED]. [REDACTED] told Gary she did not want [REDACTED] to get in trouble. Gary was dispatched to a call and he left.

I had phone contact with [REDACTED] and she did not want to report anything to the Police Department. She did not want to be the leaky faucet that caused [REDACTED] to lose his job. She denied anything physical between them and she was concerned about what Gary told me. We talked approximately 25 minutes and she would not agree to meet me or come to the PD to provide a statement. In my opinion, she was/is feeling that if she talks she will cause [REDACTED] to lose his job and she is worried about retaliation. She told me if [REDACTED] was a normal guy she would talk. She said because he is in the Army and a Police Officer she knows he could lose his job and she feels responsible for that. I explained to [REDACTED] that I ordered Gary Taylor not to discuss an ongoing IA with anyone other than the assigned Investigator(s). I ordered Gary Taylor not to discuss the ongoing IA. I told him if [REDACTED] was reporting a new incident that he should report it immediately to Dispatch. I also discussed his decision on how involved he had become with [REDACTED].

Gary told me he has been communicating with [REDACTED] since before she started dating [REDACTED]. I feel there may be some valuable information contained in the text messages and phone records related to Gary's department issued phone. I talked with Jorge about the need to interview Gary regarding the current IA he is investigating. I called [REDACTED] from a recorded line and I requested the recording. The recording will be transcribed and provided to Jorge.

Respectfully Submitted,

[REDACTED] Police Sergeant

## CLOVIS POLICE DEPARTMENT Internal Affairs Investigation

TO: [REDACTED], Chief of Police  
FROM: Sgt. [REDACTED] and Cpl. [REDACTED]  
DATE: 10-14-13  
SUBJECT: Internal Affairs Investigation #13-09

OFFICERS INVOLVED:  
Officer Gary Taylor

COMPLAINANTS:  
[REDACTED] via Corporal [REDACTED]

WITNESSES:  
[REDACTED]

SYNOPSIS:

Officer Taylor became acquainted with [REDACTED] in April 2011 when he responded to a call for service regarding her ex-husband stalking and harassing her. This call was for an "unwanted subject" on 4-13-11 (CPD 11-5327). He responded to several subsequent calls to assist [REDACTED] and her then husband, [REDACTED], and developed a friendship with [REDACTED]. He responded on 5-5-11 for a "threats" call and took a report (CPD 11-6357). He responded on 5-19-11 and 5-26-11 for "custody exchange" calls, but no reports were drawn.

Officer Taylor and [REDACTED] fell out of contact for approximately a year from around May 2011 until April 2012, when he responded to a loud party call at [REDACTED] on 4-2-12, in which she was the disturbing party. Their friendship picked up and they started communicating with each other through text messages, phone calls,

and in person. He assisted Officer [REDACTED] on a "citizen assist" call on 5-8-12. Later that day Officer Taylor responded back out for a "civil assist" call and took a report (CPD 12-6599). Officer Taylor checked out on "follow-up" at [REDACTED]'s residence on 5-10-12.

During an unrelated investigation [REDACTED], who was employed as a police officer with Clovis PD at the time, disclosed information stating Officer Taylor had sexual intercourse with [REDACTED] while on duty. [REDACTED] stated he had seen pictures on [REDACTED]'s phone of Officer Taylor's duty gear on [REDACTED]'s dresser. [REDACTED] was contacted regarding this allegation.

[REDACTED] stated that on 12-18-12 Officer Taylor came to her residence while on patrol duty and they engaged in consensual sexual intercourse. She stated he was in uniform and stated she took pictures of his uniform on her floor and his duty belt on her dresser without his knowledge while he was in a state of undress. Officer Taylor checked out on "follow-up" at [REDACTED] on 12-18-12 at 0818 hours, and cleared the call "com" at 0851 hours.

[REDACTED] stated that a few days prior to the event outlined above (approximately 12-16-12) Officer Taylor met her and a friend in the parking lot of the new 500 Club (771 W Shaw) while on duty, in a marked patrol car, and in full uniform. She stated that she got into Officer Taylor's car and they engaged in what she described as a "make-out" session that involved kissing.

## INTERVIEWS:

### Interview with Officer Gary Taylor

Sgt. [REDACTED] and I (Cpl. [REDACTED]) met with Gary and his representative, [REDACTED] on 8-19-13. The meeting took place in the large interview room in the Investigation Division, and was video recorded. I read the administrative advisement and Gary was told that this investigation did not contain a criminal element. Sgt. [REDACTED] explained the two main issues that we had questions about and then asked Gary to tell us in his what occurred during the two incidents described and to tell us the nature of his relationship with [REDACTED]. Gary, in summary, told us the following:

Gary stated that he met [REDACTED] a few years ago when he took a report for her regarding her first ex-husband stalking and harassing her. He said this was when she lived on [REDACTED] with her second husband [REDACTED]. He said he responded to several more calls at the residence regarding custody issues [REDACTED] was having with his ex. Gary said that he did not have contact with [REDACTED] or [REDACTED] for about a year after those calls. He said he responded to a loud party call on [REDACTED] in 2012 and [REDACTED] answered the door. He said they reconnected at that time. He said that she told him that she was going through a divorce from [REDACTED] and that he was harassing her. Gary said at some point after they reconnected on this call he gave her his department cell phone number and told her to call him if she needed anything. He said he gave her his number because he remembered her being nice from his prior contacts with her. Gary stated that some time after they reconnected he took a PC 422 report for [REDACTED] in

regards to one of her prior friends making threats to her. He said follow up to this case some months later, is what he believes leads up to [REDACTED] stating that they had sexual intercourse.

Gary said he and [REDACTED] were in communication with each other from around the time of the party call until he approached Sgt. [REDACTED] about the issues that had come to light regarding [REDACTED] and [REDACTED]. He said he did not remember dates, but the information could be gained by looking at his calls for service. He said during the time between 2012-2013 in which they were in contact they exchanged text messages on his department cell phone, and spoke on the phone and in person. He said [REDACTED] "hit on him" before he was married. He said he let it go for a while because he did not have the heart to tell her to stop. He stated that he did not have casual contact with her outside of work (i.e. meet for coffee or lunch when he was off-duty). He said his personal contacts with her were while on-duty. He said besides calls for service, he met with her socially while on-duty several times. We asked Gary how many times he met with her for more than a few minutes while on-duty. He said his visits ranged from a few minutes to approximately 20 minutes and none were over an hour long. He recalled meeting her at the 500 Club (one of the incidents in question), at her place of employment at the mall, and approximately three more times. He said he did not know the exact number of times he met her. He stated that sometimes he would pull up in back of her condo and talk to her. He said he remembered pulling in and meeting her outside of her condo one day to tell her that he was getting married.

Gary states that he did meet [REDACTED] and a friend at the new 500 Club one night while he was on-duty. He said [REDACTED] contacted him and he went by to see her near the end of his shift because he was getting ready to go home. He did not remember the date, but said he must have been working over because it was night, and he was assigned to day shift for several rotations prior to his current swing shift assignment. He said he remembers parking somewhere generally to the south of the building. He said he remembered [REDACTED] and her friend had been drinking. He said [REDACTED] got into the passenger seat of his patrol car. He said he does not remember what they were talking about. He said he was in the driver's seat and he leaned in to talk to her. Gary stated that [REDACTED] then leaned in and kissed him on the lips. He said the kiss lasted a few seconds and he said he "knew that was kind of nice." He said that was the only kiss and they did not "make-out" as [REDACTED] described. He stated he did not know the name of [REDACTED]'s friend, but thinks she may have been [REDACTED]'s co-worker. He said the female had blonde or brown hair and was thin in build. He also stated he thought this female was later a suspect in a residential burglary case in which [REDACTED] was the victim. He said this female acted like she wanted to get into his patrol car too. He said that he got the impression that this female thought other things were going on in the car and alluded to a "three-some." He said he did not remember how long he was in the parking lot but did not think it was very long because his shift was ending and he wanted to go home.

We told Gary that [REDACTED] stated it was two days after the meeting at the 500 Club that he came over to her house and they engaged in consensual intercourse. She gave the specific date of 12-18-13. I told Gary that I had checked his call logs and found that he checked out on follow up at [REDACTED] which was next to Desiree's address of [REDACTED]. He said he guessed her address and just put

the wrong numbers. He said sometimes he would go by without putting himself out at the address, which I took him to mean that he was not familiar enough with the address to have it memorized. He said he was actually at [REDACTED]'s residence doing follow up to the PC 422 case that he had taken some time earlier. He said a few months had passed and he got a NCF form from the DA's Office requesting the jail tapes of calls from the suspect to the victim. He said he went over to [REDACTED]'s house to talk to her about the case. He said that she told him she was NCD at that time. He said at no time while he was there did they engage in sexual intercourse.

When asked about [REDACTED] alleging she had pictures of his duty gear on her dresser and his uniform on her floor he said "no, unless it's [REDACTED]'s." I pointed out that [REDACTED]'s gear was different than his because [REDACTED] did not have the standard issue holster and that Gary did not have a standard issue baton holder. I also noted his gear arrangement and said it would be easy to tell the difference between their duty gear. Gary said "no, I didn't have sex with her" but did not say anything further about the gear. We asked if there was any time that he may have taken off his equipment at her house. He said "not that I know of." When told that he would be the only one that would know, he said he would not have taken it off unless he used the bathroom there. He said he did not specifically remember ever using the bathroom at her residence, but said he was comfortable enough with her to have done so. He then stated that if he had done so, he thought his gear would have been in the bathroom with him. We asked Gary if there was any sort of intimate encounter while he was at her house. He said no. We asked if there was anything that could have been misconstrued by her as being more intimate than intended (i.e. sitting on her bed while they were talking) and he said no. We asked if she was dressed provocatively during the contact and he said she was not. Gary said he did not know what her perceptions may have been, but they did have conversations in which he opened up to her about his divorce and she opened up to him about her divorce.

We asked Gary about the nature and amount of text messages he exchanged with [REDACTED]. He said received text messages from [REDACTED] after the 500 Club incident in which she talked about kissing him. He does not remember what exactly was exchanged between them. He also said that she had previously sent him a provocative picture of her tattoo through text messaging. He said that [REDACTED] told him that she wanted to send him a picture of her tattoo. He told her it was "o.k." He said that he got upset because instead of just sending one picture she sent eight. He said the pictures were provocative because the tattoo was on her side. He said he could not remember if her breasts were exposed, but it was from the side and you could "see her shape." He also could not remember if she was wearing underwear or not. He said he thinks the tattoo was of a panther on something similar, and remembers it being long, and a picture and not words. He said there "could have been" other texts of more than a casual nature, but those are the ones that stuck out in his mind. He said they exchanged text messages from the time they reconnected in April 2012 until he went to Sgt. Roberts about her "sucking him into her stuff with [REDACTED]"

Gary said when [REDACTED] started dating [REDACTED] he had a talk with her and told her they should not have contact because he did not want [REDACTED] or others to get the wrong impression. He said that they ended contact for a while. He said that [REDACTED] was away from work for some time when she got a text message from [REDACTED] asking if they could

meet. He said he was curious what was going on with [REDACTED] and agreed to meet her. He said he met her at her place of employment while he was on-duty. Gary said that while they talked she disclosed information about a domestic violence incident between her and [REDACTED] in Dublin, CA. He said that she asked him not to say anything, which put him in an awkward position as a mandated reporter. He said that he was trying to decide what to do when he learned that she was already talking with Detective [REDACTED] about the matter. He said he explained his role as a mandated reporter to her. He said they spoke again approximately 10 days later. He instructed her to go to the police department and make a report. Gary said he related an analogy of walking in a field of thorns to her. He said he told her that she kept walking further into a field of thorns even though each step hurt instead of backing out of the field. He said he also told her "if I wasn't in the position I was in, you'd be the kind of girl I might date." Gary said that shortly after this contact he went to Sgt. [REDACTED] about being in the middle of the issues between [REDACTED] and [REDACTED], and ended contact with [REDACTED].

#### Second Interview with Officer Gary Taylor

Sgt. Smith and I (Cpl. [REDACTED]) met with Gary and his representative, [REDACTED] on 10-8-13. The meeting took place in the large interview room in the Investigation Division, and was video recorded. Ms. [REDACTED] stipulated that they understood Gary was still under the same advisement as before and stated that it was not necessary to read the advisement again. Gary was reminded that this investigation did not contain a criminal element. Ms. [REDACTED] asked Gary if he had taken any medication that would adversely affect him during the interview and he said that he had not. We told Gary that new evidence had come to light that caused us reason to interview him again for clarification on some issues. We advised Gary that we intended to ask him some direct and blunt questions and that he needed to be completely truthful. Gary, in summary, told us the following:

I asked Gary a series of direct questions to each of which he answered with a definitive "no." The questions he answered "no" to were: 1) If he had sexual intercourse with [REDACTED] while on duty; 2) If he ever had sexual intercourse with [REDACTED]; 3) If he ever had any intimate sexual contact with [REDACTED]; 4) If his penis was ever exposed in [REDACTED]'s presence while she was either dressed or in a state of undress. I then asked if he had talked about this investigation with anyone. He told me that he had discussed this investigation with his family. I asked specifically if he had discussed this matter with his brother [REDACTED], and he said he had. I asked if he had requested or instructed his brother to speak to [REDACTED] about this investigation, and he said he had not. I asked if he knew that his brother had talked to her at her place of employment. He said that he did learn that his brother ran into her and asked him to have no other contact with her. Gary said that his brother told [REDACTED] that he knew who she was and that she was that she was the one "doing this" to my brother. Gary said he knew of no other contact between his brother and [REDACTED]. He said that his brother went to the store to buy some products and recognized her from meeting her in the past. He said that he was not sure how they initially became acquainted but thinks it was one time when his brother went into the vitamin store where [REDACTED] works. He said somehow they began to talk and she learned that [REDACTED] was his brother. We told Gary that [REDACTED] stated the contact with his brother at the store and in an alleged phone call had made her nervous and more forthcoming with information.

We told Gary that ██████ told us, in summary, that the two of them planned an intimate interlude on 12-18-12. She stated that they texted several times before he came over. She prepared for his arrival by putting on lingerie under her clothing. She said that they "made out" on the sofa before Gary took off his equipment, uniform and under clothing. She said that he ejaculated when she revealed her lingerie. She said she comforted him and his biological fluid rubbed onto her lingerie. She said she provided him a condom and then they had sexual intercourse. ██████ provided the lingerie, which she said she had not laundered or worn since her encounter with Gary. I showed this lingerie to Gary and informed him that Sgt. Smith and I had checked the garment with a black light and it showed the presence of biological fluid. At this time Gary and Ms. ██████ chose to hold a private sidebar off camera. When they returned Ms. Bennett spoke for Gary.

Ms. ██████ said that Gary said that the allegations laid out by ██████ were indeed true with the exception of a few minor details that he felt were inconsequential and did not want to elaborate on. She went on to say that Gary was sorry for not telling the truth and stated that he was highly embarrassed by the situation. Gary then apologized to me and Sgt. ██████. He said that he is extremely embarrassed by his actions and deeply sorry for not being forthcoming with information. He talked about the pressures at home and how this will affect his wife and was very concerned for her feelings. He verbally acknowledged that the events ██████ described did in fact happen. He admitted to having sexual intercourse with her while on duty on 12-18-12. He stated he was not at her house for follow-up as he previously alleged. He stated that the intent for going to her house on that morning was for the sole purpose of engaging in a sexual interlude.

Interview with Witness ██████:

Corporal ██████ attempted to arrange an in person interview with Witness ██████ (hereafter referred to as ██████) the week of August 19, 2013. ██████ said that she did not want to be interviewed until the court proceedings for ██████ were complete. ██████ advised that she had obtained an attorney and that we should communicate through him in regards to her cooperation prior to the ██████ case being completed.

On August 13, 2013 at approximately 1216 hours, I (Sergeant ██████), telephoned ██████ (████████) and asked her if I could ask her questions about her possibly having evidence in our case. I explained to her that I was conducting an internal investigation and that I had nothing to do with the intertwined criminal investigation. I asked ██████ If she had the cell phone which had alleged digital photos of Gary's (Officer Taylor's) Uniforms on her floor and police gear on her dresser. ██████ was surprised that I would know about these photos and explained that she had changed phones since the photos were taken, and the photos were transferred over. ██████ explained that she had a calendar that she had written dates and events documenting when she had met, text, called, and what she did with Gary.

████████ was very adamant that she was not going to come in for an interview or provide her phone to the police department until ██████'s case was complete.

She made it clear that she had items (not specifically identified) that could be detrimental to [REDACTED]'s defense and she was not willing to provide them.

[REDACTED] did continue to talk to me over the phone and provided the following details pertinent to this investigation: She did not really want Gary to get in trouble, their relationship was consensual. [REDACTED] admitted that they have had one "make out session" and had one time that they got together to have sex. Gary was on duty when they had sex.

Gary was working overtime on patrol and she met up with him at the "New 500 Club" located on Willow at Shaw Avenue. They were at the front of the business on the side where the gym is (north side) and she and Gary talked for several minutes. [REDACTED] went back into the 500 Club and met with her girlfriend and then came out and met Gary at his patrol car on the south east corner of the 500 Club building where Gary was parked in a stall. [REDACTED] got into Gary's patrol car and for about 15 or 20 minutes they "had a make out session." [REDACTED] described the "make out session" as kissing.

The next day Gary called [REDACTED] and asked to get together. [REDACTED] told him that she was not feeling well right then. Gary called [REDACTED] the next day and again wanted to get together. [REDACTED] explained to me that she told Gary that she was not feeling well because she did not want Gary to get more physically involved without really wanting to, she wanted him to think about it. The second day Gary called her and she agreed for him to come over to her apartment. At her apartment at [REDACTED] [REDACTED] they had sex in her bedroom. Gary was on duty and in his uniform which he took off. While Gary was in the bathroom, [REDACTED] took digital photographs of Gary's uniform and his duty equipment.

[REDACTED] continued to explain that [REDACTED] had asked her how she knew Gary and why she was talking to him. [REDACTED] said that she had never told [REDACTED] that she had previously had sex with Gary. On May 21<sup>st</sup> she was talking to Gary on the phone and she told Gary to come talk to her at her work. Gary came to her work and they talked for about an hour out in front of her workplace. When Desiree came home, she was confronted by [REDACTED] who told her that one of the security guards had told him that an officer had been talking to her for a long time at her work. [REDACTED] got mad and confronted her about being unfaithful. [REDACTED] explained that it "was just Gary Taylor." [REDACTED] had read in her diary about Gary and [REDACTED] having a relationship.

[REDACTED] continued to reject the idea of allowing CPD to view her phone until the criminal proceedings for [REDACTED] were complete.

#### Second Telephonic Interview with Witness [REDACTED]:

On September 30, 2013 I returned a phone call from [REDACTED] [REDACTED] called to report to me that Officer Gary Taylor's brother, [REDACTED] had come to her work place and confronted her about reporting to the Clovis Police Department that she and Gary had sex on duty. [REDACTED] very bluntly told her to retract the statements and stop getting Gary in trouble. [REDACTED] was very confronting and had an aggressive tone, though he did not threaten any harm or actions against [REDACTED] he just made her feel very intimidated and concerned. [REDACTED] later called [REDACTED] at

her workplace and she told him that she would not talk to him and leave her alone. [REDACTED] was reporting to me that she was concerned that Gary had put [REDACTED] up to this intimidation and that she was afraid it would continue or escalate. I told [REDACTED] that Gary was denying that the intimate encounters had ever occurred and that he was likely telling family and friends that she was lying and setting him up. I further explained to [REDACTED] that the most efficient way for me to ensure that these incidents stop is to provide me with the evidence that she has. I would then be able to confront Gary with the photos and after he admits to his participation in having sex with her on duty; he will be part of the solution to stopping his brother from bothering her. There would be no further reason for his family or friends to bother her.

After I asked [REDACTED] for evidence (I was referring to the digital photos that I was aware of), [REDACTED] told me she would look for photos and text messages that included photos of her nude and in minimal clothing. [REDACTED] also then advised me that she had an item of lingerie that she wore the morning that she had sex with Gary. [REDACTED] said that she has not worn the clothing before nor since the morning that she had sex with Gary. [REDACTED] said that she suspected that there might be bodily fluid from Gary on the lingerie. [REDACTED] said that she does not believe she washed the lingerie.

[REDACTED] explained in detail the sexual encounter with Gary the morning of December 18, 2012. [REDACTED] said that she asked Gary, "Won't you get in trouble?" as he and she planned on having sex. Gary explained to her that he "put himself out on a follow-up." Gary went on to explain that another Sergeant on the department had gotten into trouble for doing that and another agency saw the patrol car out of the Clovis city limits and inquired as to why it was there and the Sergeant got in trouble.

[REDACTED] said that Gary was at her apartment for over an hour on the 18<sup>th</sup>. I told [REDACTED] that Gary admits to being there but denies having sex. [REDACTED] said, "No, I don't want to embarrass him." I asked [REDACTED] to go on and tell me what happened. [REDACTED] went on to tell the following: I knew he was coming and he called me when he was outside. I had put on a kinda like a night gown lingerie on and I put a sweater and sweat pants over it. We were kissing and stuff on the couch and after that we were talking a little bit and making out. He took off his duty belt and we were making out. Then we went into my bedroom. He took his gun and radio with him and said he had to keep them close. He got all the way naked to his grey boxer shorts. He took off his shorts and she removed her sweater revealing the lingerie and Gary "came already." Gary said, "Oh my gosh, I never had that happen before." [REDACTED] moved closer and they began kissing and as she got close she rubbed against him and got his fluids on her lingerie. After this, [REDACTED] gave Gary a condom and then they "did it on my bed." Gary went into the bathroom and cleaned up and as he did [REDACTED] took photos of Gary's clothes and gear to show her friend and "prove they did it." Gary cleaned up and went back to work.

[REDACTED] later met Sergeant [REDACTED] and I (Sergeant [REDACTED]) and provide the lingerie for us to use in our investigation.

#### OPINIONS AND CONCLUSIONS:

During the first interview Gary showed significant signs of deceit. He denied "making out" with [REDACTED] in his patrol car at the 500 Club, but made an admission that there had been a kiss that he thought was "kind of nice." He stated that [REDACTED] kissed him. I feel that this was a minimization tactic employed by Gary. Upon further consideration, the story Gary told of he and [REDACTED] being in the front seats of his patrol car and her sneaking a kiss, is implausible by physical dynamics of the patrol car. The seat configuration and computer set up with radios in the middle; it would take effort by both parties to physically be close enough to each other for kissing to occur. He denied having sexual intercourse with [REDACTED], but showed distress when he answered. He also showed distress when asked if she was wearing anything provocative when he went to her house for what he alleged was follow-up to a PC 422 case.

In the second interview Gary admitted to having sexual intercourse with [REDACTED] as she described. He stated that he had lied about having sex and lied about the reason he was at her house on the morning of 12-18-12.

Gary's actions were unbecoming a member of this Department and in direct violation of policy. Gary compromised his integrity in an effort to conceal his inappropriate behavior.

As a result of Gary first being dishonest and lying in response to this investigation, he is also found to be in violation of:

340.3.5 (ad) Giving false or misleading statements, or misrepresenting or omitting material information to a supervisor, or other person in a position of authority, in connection with any investigation or in the reporting of any department-related business.

#### FINDINGS:

Based upon the totality of this investigation, we have determined the following in regards to Officer Gary Taylor:

1. 340.3.2(m) of the Clovis Police Department Policy Manual: Engaging in on-duty sexual relations including, but not limited to, sexual intercourse, excessive display of affection or other sexual conduct. **SUSTAINED.**

Officer Gary Taylor admitted to having sexual intercourse with [REDACTED] while on duty on 12-18-12

2. 340.3.2(m) of the Clovis Police Department Policy Manual: Engaging in on-duty sexual relations including, but not limited to, sexual intercourse, excessive display of affection or other sexual conduct. **SUSTAINED.**

Officer Gary Taylor admitted to meeting [REDACTED] a few days earlier while on duty where he said she kissed him in his patrol car.

3. 340.3.5(aa) of the Clovis Police Department Policy Manual: Any other on-duty or off-duty conduct which an employee knows or reasonably should know is unbecoming a member of the Department or which is contrary to good order, efficiency or morale, or which tends to reflect unfavorably upon the Department or its members. **SUSTAINED.**

Officer Gary Taylor did not tell the truth in this investigation. He tried to conceal the fact that he engaged in inappropriate intimate and sexual behavior while on duty.

4. 340.3.5(ad) Giving false or misleading statements, or misrepresenting or omitting material information to a supervisor, or other person in a position of authority, in connection with any investigation or in the reporting of any department-related business. **SUSTAINED**

Officer Gary Taylor lied to investigators, Corporal [REDACTED] and Sergeant [REDACTED] when interviewed about the allegations. Officer Taylor was not only lying, he was assertive that the facts he was presented with were not true and later admitted the exact opposite.

5. 340.3.5(i) The falsification of any work-related records, the making of misleading entries or statements with the intent to deceive, or the willful and unauthorized destruction and/or mutilation of any department record, book, paper or document. **SUSTAINED**

Officer Gary Taylor stated in his first interview that he had checked out on follow up at [REDACTED] which was next to [REDACTED]'s address of [REDACTED]. He said he guessed her address and just put the wrong numbers. In the last interview, Officer Gary Taylor admitted to having put himself out in a misleading fashion to mislead anybody that viewed his patrol vehicle at or near [REDACTED]'s residence while he was engaged in having a sexual encounter with her while on duty. Violation consists in being a false statement (says he was there for a follow up interview) and location (put out at [REDACTED] and was in reality at [REDACTED]).

## Narrative

### SOURCE:

I assisted officer Rich [REDACTED] at [REDACTED] at approximately 1400 hrs regarding a civil issue. We cleared the call, but I had contact with one of the involved parties, and coordinated with victim [REDACTED] and witness [REDACTED] to work out a civil stand by later in the day. [REDACTED] called the police department to request me as instructed. I contacted [REDACTED] and [REDACTED] at her residence.

### INVESTIGATION:

I had contact with suspect [REDACTED] and her husband/witness [REDACTED] while I was there with officer [REDACTED]. [REDACTED] was away from the location in Fresno on personal business. [REDACTED] was talking to [REDACTED], and explaining that she can't get the property she wanted to collect due to this being a civil matter. I observed as [REDACTED] continually interrupted [REDACTED]. [REDACTED] would not stop talking, and kept bringing up other unrelated issues about [REDACTED]. [REDACTED] kept trying to stop her from talking. I finally interrupted her by raising my voice to get her attention. She was so focused on her objective that she would not listen to reason or make good common sense decisions. [REDACTED] made contact with [REDACTED], and advised her to call me to work out a resolution.

I contacted [REDACTED] after we had [REDACTED] and [REDACTED] leave the area. [REDACTED] was cooperative, and believed that [REDACTED] did owe [REDACTED] for damages. He only wanted certain items in the apt. [REDACTED] was willing to make arrangements to work this out. [REDACTED] has been a longtime friend of the [REDACTED]. I asked [REDACTED] to call [REDACTED] and work out a time for him to come pick up the property she is willing to part with, then call me for a civil stand by. I told [REDACTED] to keep this between her and [REDACTED] so there will be no issues with [REDACTED]. [REDACTED] called in at 1547 hrs for the stand by, and I arrived at approximately 1610 hrs. I saw [REDACTED] and [REDACTED] standing outside next to each other, and [REDACTED] cell phone was in her hand.

As I approached, [REDACTED] said [REDACTED] had just threatened to come over to stab [REDACTED], and vandalize her car for giving the property to [REDACTED]. I looked at [REDACTED] and he said yes, she did make the threat. He doesn't want her to get in trouble because she is the mother of his kids, but she made the threat. [REDACTED] had the phone on speaker so [REDACTED] could listen to the drama.

I asked about what threats were made. [REDACTED] said, "I will go over there and fuckin' kill you. I will stab you, you know I will. I will pull a [REDACTED] on you." [REDACTED] said [REDACTED] is [REDACTED]'s sister. She is currently in Madera county for stabbing her boyfriend's father. [REDACTED] was upset, and repeated several times that she would come over to harm [REDACTED], and vandalize her car.

[REDACTED] said she would not feel threatened if it were a fight without weapons because she could take [REDACTED]. But [REDACTED] is concerned about the knife, and [REDACTED] told [REDACTED] that he could have the kids. [REDACTED] is concerned she might be on drugs or having mental issues that would make her dangerous. [REDACTED] said it is not like [REDACTED] to give up her kids without a fight. [REDACTED] said she believes that [REDACTED] has nothing to lose, and she will likely come over after [REDACTED] moves away with the kids to San Diego tonight.

[REDACTED] provided more recent history to support her concerns. [REDACTED] was having an affair with another married man. His wife contacted [REDACTED] because their kids go to the same school. This is the reason for [REDACTED] wanting to divorce [REDACTED]. [REDACTED] was upset at the woman for telling [REDACTED]. On Friday, 5/4/12 (Related Fresno PD 12-31650) [REDACTED] wanted to go fight the woman, and advised [REDACTED] that there were other girls there. [REDACTED] let [REDACTED] drive her car, and [REDACTED] went with her to back her up if more people were going to jump in to fight. [REDACTED] had a fold out pocket knife with her, and started making comments about stabbing the woman. [REDACTED] became concerned about the knife, and was able to take the knife from her so they would not get in trouble by using a weapon. [REDACTED] threw the knife in the door panel. A large fight erupted, and Fresno PD responded. Later that night, [REDACTED] got into a verbal dispute with [REDACTED] at their house over these events and the affair. [REDACTED] pushed [REDACTED] and was arrested by FPD for PC 243(e)(1). [REDACTED] said things have been going out of control for [REDACTED] since this incident Friday.

[REDACTED] confirmed the threats that were made over the phone because he listened to the conversation over the speaker. [REDACTED] said he doesn't believe [REDACTED] will use a knife to harm [REDACTED], but she is losing control of her emotions, and she is likely to come over and start something. [REDACTED] is concerned because [REDACTED] told him he could have the kids, ages 6 and 7. [REDACTED] is trying to pack up things at the house, and try to be on the road tonight or within the next day to move to San Diego.

I received a call from [REDACTED] approximately 2 hrs later. [REDACTED] denied making the threats. [REDACTED] was blaming everyone else. She accused [REDACTED] of chasing after [REDACTED], and said she will sleep with every man she comes in contact with. [REDACTED] said [REDACTED] wanted to go after one of the FPD officers that she thought was cute. I asked [REDACTED] why people would lie about her wanting to stab [REDACTED]. She could not provide an explanation. I asked [REDACTED] about the comments made about her sister. [REDACTED] denied making the statements, and said [REDACTED] was threatening to use some type of information she had related to [REDACTED]'s case that she would tell law enforcement. The call disconnected.

[REDACTED] called back a few minutes later. She was emotional, and somewhat out of breath. I advised [REDACTED] that I would have to arrest her for the violation. She said I should come pick her up so she can get this behind her. She started crying, and said the police were chasing her. She wasn't making much sense. [REDACTED] said she was at the corner of Blackstone/Sierra near her house. I heard a male voice in the background. [REDACTED] said it was [REDACTED] following her. I contacted FPD to get units rolling there while I was enroute with Cpl M. [REDACTED]. I contacted [REDACTED] and [REDACTED] in front of his residence.

FPD arrived and started searching the area for [REDACTED]. She was not answering my attempts to call her. [REDACTED] said he called [REDACTED] to come help him pack for San Diego, and he would help her install a new headlight to her car that was damaged from the Friday night incident. [REDACTED] arrived, and had been drinking. [REDACTED] mother called FPD to do a welfare check because she could not reach [REDACTED] on the phone. FPD arrived, and [REDACTED] ran off with a knife in hand, making comments she would assault an officer with the knife so they would have to kill her. [REDACTED] was located at Glenn/Escalon, and gave up without any issues. [REDACTED] had a small bottle of Vodka and the knife in her possession, but I could smell an odor of alcohol on her breath. [REDACTED] said she drank one beer, and had 2-3 sips of the Vodka. There were 2-3 sips taken out of the bottle. She had minor/superficial scrapes to her left forearm. [REDACTED] was not intoxicated. [REDACTED] said she scraped herself, but she was not trying to harm herself nor did she feel suicidal. When I contacted [REDACTED] in our jail, the only thing she was concerned with is having the phone number to the man she was having the affair with.

## CONCLUSION:

[REDACTED] has been married to [REDACTED] for 6 yrs with two children, 6 and 7 yrs. They have been friends with [REDACTED] for several years. [REDACTED] has supported [REDACTED] as a friend and has known about her infidelity, but has not said anything to [REDACTED] out of her friendship to [REDACTED], but she has not condoned her behavior. [REDACTED] wants to divorce [REDACTED] when the wife of the man she is having the affair with tells him of the affair. On 5/4/12, FPD responds to a disturbance where [REDACTED] went to the woman's home to fight her for telling [REDACTED] of the affair. According to [REDACTED], [REDACTED] took a knife to do harm, but [REDACTED] took the knife from her and it was not involved in the incident. Later that evening, [REDACTED] and [REDACTED] are arguing about the affair and disturbance, and [REDACTED] is arrested by FPD. [REDACTED] releases some of their personal property to [REDACTED] to hold as collateral until she can pay for damages sustained to [REDACTED]'s car in the disturbance. Things are spiralling out of control for [REDACTED], and she becomes upset when I advised her she can't get the property from [REDACTED]. [REDACTED] is incapable of listening to reason, and advised to leave the scene. [REDACTED] found out that [REDACTED] came back and recovered some of their property from [REDACTED]. [REDACTED] called [REDACTED] and threatened harm to her by using a knife to stab her.

## DISPOSITION:

1. The victim was provided case information.
2. [REDACTED] was processed at CPD, and booked into FCJ.
3. An EPCD was completed.
4. Please forward a copy of this report to FPD to see if there is any information that would offer new information to 12-31650.
5. Case closed by adult arrest.

# CLOVIS POLICE DEPARTMENT INTER-OFFICE MEMORANDUM

TO: Capt. [REDACTED]  
FROM: Det. Cpl. [REDACTED]  
DATE: 07/31/2013  
SUBJECT: Citizen Complaint- Officer Gary Taylor

On 07/31/13, I was assigned to contact [REDACTED] in regards to a complaint made by former officer [REDACTED] alleged that Officer Gary Taylor had sex with [REDACTED] while Officer Taylor was on-duty.

I attempted to contact [REDACTED] via telephone at 1135 hours, but reached her voicemail. I left a message asking [REDACTED] to contact me.

I realized that I did not unblock the number that I was calling from. I called [REDACTED] back after unblocking my number and she answered at 1136 hours. I then took her statement.

I advised [REDACTED] of the complaint. [REDACTED] asked when the complaint was filed. [REDACTED] then asked if I could hold on while she moved to the back office. [REDACTED] returned and I told her of the alleged complaint again. [REDACTED] told me that it was true. I asked [REDACTED] when it happened; [REDACTED] immediately said, "On December 18<sup>th</sup>".

I asked [REDACTED] to clarify "sex". [REDACTED] said that she wasn't going to go into full detail. [REDACTED] said that Gary told her that he was doing a "follow-up" around her neighborhood (on [REDACTED] Ave.) and came over to her house that morning. I confirmed with [REDACTED] that Officer Taylor was on-duty at the time; [REDACTED] said that he was. I asked [REDACTED] if she remembered what time this occurred. [REDACTED] said it was right around the time that she dropped her daughter off at school; around 0815 hours or so. I confirmed with [REDACTED] that the act was consensual; [REDACTED] said that it was.

I asked [REDACTED] if she and [REDACTED] were still together. [REDACTED] told me, "We have no communication right now."

I asked [REDACTED] if she had any idea while [REDACTED] would come forward with this complaint. [REDACTED] said that it was because she confided to Officer Taylor about what was going on with her relationship with [REDACTED]. [REDACTED] said that she exaggerated a lot of the things that she told Officer Taylor in order to make him feel bad for her. [REDACTED] said that Officer Taylor had never reported anything else she had told him prior to this and thought she could trust him. [REDACTED] said she made up some stuff that happened between [REDACTED] and her because she didn't think that Officer Taylor was going to report it. [REDACTED] said that she talked to Officer Taylor, as a friend, behind [REDACTED]'s back because [REDACTED] was aware of the relationship that she and Officer Taylor had. [REDACTED] said that she "continued to talk to Officer Taylor behind [REDACTED]'s back, and because of this, this is why [REDACTED] is in the position that he is in."

[REDACTED] then spoke about the incident when she was questioned at the house and [REDACTED] was taken into custody by the Sanger Police Department. [REDACTED] said that she was telling the Officers that nothing happened. [REDACTED] said that when Officer Taylor showed up, she felt uncomfortable because she had already told Officer Taylor one story so she didn't know what to say. [REDACTED] said that she felt "stuck". [REDACTED] said that she "had to say what I told Gary".

Later, [REDACTED] asked her why she said the things she said. [REDACTED] thinks this is why [REDACTED] brought up the complaint.

I informed [REDACTED] that it may be necessary for someone to contact her further in regards to this matter. [REDACTED] said that she understood and would be willing to come to the Department and give a further statement.

I checked Officer Taylor's unit history for December 18, 2012 and found that he was indeed on follow-up at [REDACTED] from 0818 hours until 0851 hours. [REDACTED] address, per RMS, at the time was [REDACTED]

A copy of the unit history and the recording of the phone call to [REDACTED] are attached to this memo.

[REDACTED]  
Detective Corporal

At the conclusion of this investigation, it is clear that Officer Pennington has been deceptive both before and during this investigation; making attempts to hide disgraceful and dishonest behavior, defrauding the Department in the form of paid time off for fabricated military responsibilities in which he must have known would not be denied him by the Department, as well as denying grossly unbecoming behavior in the form of domestic violence when there is growing evidence to prove the verity of this allegation.

## **FINDINGS:**

Clovis Discipline Policy 340.3.2 (m) – Engaging in on-duty sexual relations including, but not limited to, sexual intercourse, excessive displays of public affection or other sexual contact.

**Not Sustained-** We spoke to Officer Pennington about this allegation and determined it could not be validated. Officer Pennington denied the allegation and there's no evidence beyond [REDACTED] allegation to substantiate her claim.

Clovis Discipline Policy 340.3.4 (a) – Reporting for work or being at work following the use of intoxicants where such use may impair the employee's ability to perform assigned duties or where there is an immediate suspicion of ineffectiveness during public contact resulting from the use of intoxicants.

**Not Sustained-** We spoke to Officer Pennington about this allegation and determined it could not be validated. Officer Pennington denied the allegation and there's no evidence beyond [REDACTED] allegation to substantiate her claim.

Clovis Discipline Policy 340.35 (aa) – Any other on duty or off duty conduct that any employee knows or reasonably should know is unbecoming a member of the Department or that is contrary to good order, efficiency or morale, or that tends to reflect unfavorably upon the Department or its members.

**Sustained-** Officer Pennington's off duty conduct regarding the alleged domestic violence abuse was substantial enough to be documented and forwarded to the District Attorney's Office for filing. This reflects poorly on the Clovis Police Department in addition to Officer Pennington. During one of the reported verbal arguments with the complainant, Officer Pennington went to a neighbor's house looking for the complainant. Officer Pennington was banging on the doors and demanded that they have the complainant come outside.

The complainant had gone to the neighbor's house to get away from Officer Pennington.

Clovis Discipline Policy 340.35 (i) – The falsification of records, the making of misleading entries or statements with the intent to deceive, or the willful and unauthorized destruction and/or mutilation of any Department record, book, paper or document.

**Sustained**- Officer Pennington submitted for military time off with the Police Department from April through September of 2012, which he did not attend. The explanation given by Officer Pennington of what he did that was military related during this time was so incidental that it didn't account for the majority of time that he was being compensated for. Officer Pennington's actions were deceitful and done in an attempt to cover up the fact that he was taking this time to do personal activities and spend time with his girlfriend at the time ( ) and family.

Officer Pennington made misleading statements during his interview with Sergeant ( ) and me, Sergeant ( ).

Clovis Discipline Policy 340.35 (n) – Work related dishonesty, including attempted or actual theft of Department property, services or the property of others.

**Sustained**- Officer Pennington also left the City and drove to Fresno to pick up his girlfriend ( ) and did not inform his supervisors or ask permission.

Again, Officer Pennington submitted for military time off with the Police Department from April through September of 2012, which he did not attend. The explanation given by Officer Pennington of what he did that was military related during this time was so incidental that it didn't account for the majority of time that he was being compensated for. Officer Pennington's actions were deceitful.

Clovis Discipline Policy 340.35 (o) – Criminal, dishonest, infamous or notoriously disgraceful conduct adversely affecting the employee/employer relationship (On or Off Duty).

**Sustained**-Officer Pennington's off duty conduct regarding the alleged domestic violence abuse was substantial enough to be documented and forwarded to the District Attorney's Office for filing. This reflects poorly on the Clovis Police Department in addition to Officer Pennington. Officer Pennington has a new Internal Affairs Investigation that is currently ongoing and involving three additional allegations of domestic violence.

Clovis Discipline Policy 340.35 (p) – Failure to disclose material facts or the making of any false or misleading statement on any application, examination form or other official document, report or form.

**Sustained**- Officer Pennington submitted for military time off with the Police Department from April through September of 2012, which he did not attend. The explanation given by Officer Pennington of what he did that was military related during this time was so incidental that it didn't account for the majority of time that he was being compensated for. Officer Pennington's actions were deceitful.

Clovis Discipline Policy 340.35 (z) – Violating any misdemeanor or felony statute.

**Pending**- The District Attorney's Office is still reviewing this case along with three additional cases of domestic violence against Officer Pennington; this is documented under new IA #13-05

Clovis Discipline Policy 340.3.6 (c) – Substantiated employee record of unsafe or improper driving habits or actions in the course of employment.

**Not Sustained**-We spoke to Officer Pennington about this allegation and determined it could not be validated. Officer Pennington denied the allegation and there's no evidence beyond [REDACTED] allegation to substantiate her claim.

Clovis Discipline Policy 340.3.6 (f) – Violating departmental safety standards or safe working practices.

**Sustained**- Officer Pennington admitted to taking [REDACTED] on ride-alongs, however, no forms were found to be turned in for these incidents. This constitutes a liability for the Department in the case that any harm that may have come to [REDACTED] during these ride-alongs and no liability waiver had been filed on her behalf. [REDACTED] also indicated that she never filled out any forms for these ride-alongs.

To Whom It May Concern:

I am writing in regards to Officer Kyle Pennington that currently works for the Clovis Police Department. I have known Kyle for the past 8 months, and after discovering what a dishonest person he is, I chose to remove myself from any type of relationship involving him. I am astonished that you would have an officer of such low integrity working for you and representing your department; Kyle Pennington is a known liar to all that know him in his personal life. After having an affair on his wife of 8 years for 4 years he has proven himself to be deceitful to all around him. How can a man of such low integrity and dishonesty be suitable for a job of authority that requires honesty and integrity? How can he be honest when upholding the law as a Police Officer when he isn't in all other aspects of his life? I think it is in the Clovis Police Department's best interest to be aware of a few of Kyle Pennington's recent actions.

Officer Kyle Pennington who is also in the Army Reserves has been taking advantage of the Clovis Police Department and their understanding of its military service members who work for the department. I have witnessed Kyle Pennington on multiple occasions take time off from work under the guise that he has "military duty" when in fact he did not attend any military obligations and instead went out drinking at bars or went out of town on vacation. During these times, Kyle stated that he needed to, "lay low and stay out of Clovis," so he would not get caught while doing this. Yet, Kyle Pennington is currently amidst a law suit that he filed against the City of Clovis because he feels he is entitled to a pay raise even though he was not here to earn it.

During Kyle Pennington's recent time on "Light Duty" I witnessed Kyle play sports, do construction work on his house, and go to the gym on a daily basis. How can a man who is capable of doing vigorous personal activities be incapable of working his regular duties? During this time Kyle expressed to me that he was enjoying, "sitting around getting paid to do nothing." On December 31<sup>st</sup>, 2012 while Kyle was "unable to work" due to his "injury" he worked a side job posing as a gold statue in Lemoore at the Taichi Palace Casino which required him to stand in one position for 4 hours. Yet during this time Kyle had informed the department that he was "unable to work due to his knee being so painful." I have pictures of him working at this event.

I have also witnessed Kyle Pennington on multiple occasions drinking heavily and then driving his black Toyota Tundra while extremely intoxicated. During these times, I had insisted that Kyle not drive while intoxicated to which he replied that he was "in Clovis and won't get a DUI," implying that because he worked for Clovis PD that he was somehow immune to a DUI.

When I first knew Kyle, while he was on duty and in uniform, he would stop by my house and have sexual relations with me. He would also sit in my house for hours watching TV, eating, and talking to me while he was supposed to be working.

On other occasions, Kyle Pennington, while working, would travel to various places around Clovis and Fresno to pick me up in his patrol car because he insisted on giving me a ride home. At one point, he even traveled as far as Palm and Nees, in Fresno, to my friend's apartment complex in his Clovis Patrol car to pick me up. He then drove me on the 41 freeway reaching speeds over 120mph back to my residence in Clovis.

I have also been on multiple ride-a-longs with Kyle Pennington all of which resulted in us having sexual relations in his patrol car while he was working. I had inquired with Kyle on each of these occasions if doing these things would get him in trouble, to which he replied "No" and that he "does whatever he wants"

Due to Kyle Pennington's temper and current body type I believe Kyle is also on steroids. I have found syringes and bottles of foreign substances in his belongings. To my knowledge, Kyle Pennington is not a diabetic nor does he have any medical condition that requires him to use syringes.

Kyle Pennington has become extremely physical with me on multiple occasions and has caused serious injuries to my person. He has left many bruises on my arms, legs, and ribs. He was physically and mentally abusive to me. Although no reports have been filed at this time, there are several witnesses that have seen me visibly upset and bruised after our altercations. My father, a retired Deputy for the Kern County Sheriff's Department, is a witness to this as well.

I believe Kyle Pennington has a sex addiction as well as a pornography addiction. I have witnessed Kyle Pennington visit local strip clubs and massage parlors late at night on numerous occasions. In Kyle Pennington's computer there are files upon files of pornography, most of which have a common theme of extremely young girls who appear to be **not of legal age**. Throughout the time that I have known Kyle he would watch pornography on a daily basis.

I believe it is in the best interest of the Clovis Police Department to investigate these claims further. I can provide witnesses, evidence, and testimony for all accounts.

Sincerely,

[REDACTED]
